

## Keep Chepstow Tidy

### Let's Spring Clean Chepstow: 22 March – 23 April

Spring is definitely on the way. To get ready for the Easter break, the tourist season and the Chepstow Walking Festival we would like to invite you to help us clean up our town. Transition Chepstow is promoting a campaign to *Spring Clean Chepstow* – cleaning up our streets, our parks and our public spaces – to make Chepstow an attractive and welcoming place for residents and visitors alike. The campaign will run for just over four weeks from 22 March to 23 April and is part of a national effort being promoted by the campaigning group Keep Wales Tidy entitled “*Spring Clean Cymru*”. We are hoping to work with as many local businesses, community groups, and other organisations to get rid of litter across our town and we hope you can join us.

We are inviting everyone who cares about our environment to organise or take part in a litter pick and local clean up. These can cover the premises of local businesses and their immediate surroundings, a single street, a park or open space, or a wider area. They can last anywhere from just a few minutes to a couple of hours. Keep Chepstow Tidy – the part of Transition Chepstow organising the campaign – can help with advice, training and with the loan of equipment such as litter pickers.

If you would like to organise a litter pick please get in touch. You can contact us by email at [litter@transitionchepstow.org.uk](mailto:litter@transitionchepstow.org.uk) or through our Facebook page [Keep Chepstow Tidy](#). We are hoping to keep a record of activities by registering litter picks with Keep Wales Tidy on [www.keepwalestidy.cymru](http://www.keepwalestidy.cymru). We can help with this or you can register an activity directly yourself, but please let us know so that we can keep up to date with the areas of Chepstow that are being covered. Please also take some “before” and “after” photos and post them on our Facebook page.

The launch of the campaign and the first community litter pick will be on Saturday March 23<sup>rd</sup>, meeting at Nelson Street Car Park at 10 am to tackle the town centre, the underpass by Tesco and the approach to the Railway Station. Others will follow - see our Facebook page or check with [www.keepwalestidy.cymru](http://www.keepwalestidy.cymru) or [www.transitionchepstow.org.uk](http://www.transitionchepstow.org.uk) for an up-to-date list of community clean-ups in and around Chepstow.

Paul Gowen
